

The Scottish Doctor

Intra-framework links:

1 haspart 1.1
1 haspart 1.2
3 haspart 3.11
1.1 haspart 1.1.1
...
1 supports 2
2 supports 1
2 supports 3
3 supports 2

Extra-framework links:

A number of objects have one or more links to objects from the Tomorrow's Doctors framework. Could be expressed as:
Scottishdoctor1.1.1 iseivalentnto tomorrowdoctors#####

Notes:

UIDs are not included in the original framework. They have been generated for demonstration purposes.

Blue words within the Assessment fields are hyperlinks (URLs) to glossary entries also published on the Scottish Doctor website.
