Elimination of Central Line-associated Bloodstream Infections: Application of the Evidence

The individual named below has successfully completed the AACN CE offering entitled, "Elimination of Central Line-associated Bloodstream Infections: Application of the Evidence" and has earned 1.00 contact hours of continuing nursing education credit from AACN (Category A, Synergy CERPS A). Documentation records are kept on file at AACN.

The American Association of Critical-Care Nurses (AACN) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

AACN has been approved as a provider of continuing education in nursing by the State Boards of Nursing of Alabama (#ABNP0062), California (#01036), and Louisiana (#ABN12). AACN programming meets the standards for most other states requiring mandatory continuing education credit for relicensure.

I hereby certify that the named registrant has met all the requirements of the above program.

Justine Medina, RN, MS
