

Search Confluence content

The Confluence search engine is based on [Lucene](#). It begins working as soon as you install Confluence and can build search indices on a wide range of document types: blogs, pages, comments, attachments, etc..

Confluence can search content including pages, blog posts, emails, Microsoft Word documents and Excel spreadsheets, PDF documents, and more.

Found 1 search result(s).

Blog: [Octagon blog post \(Demonstration Space\)](#)

Sep 26, 2006 - [Blog](#)
