

Media and Publications

This page contains links to communications efforts to promote healthcare lom.

- [Draft poster](#) for 2008 annual conference ([Morgan's edits](#))
- Communications "[smart chart](#)" (see page 21 especially)
- Draft [communications strategy](#)
- Draft Healthcare LOM [press release](#)
- [Communications plan](#)

Other communications ideas:

- Draft a press release
- Announce in appropriate media (incl. MedBiquitous newsletter)
- Promote on MedBiquitous website
- It would also be good if we could complete the guidelines for implementation.
- Announce at the annual conference

Food for thought: an ANSI healthcare information technology standards panel ([HITSP communications plan](#))
