

Medical Education Metrics - Home

Welcome

The mission of the MedBiquitous Metrics Working Group is to develop XML standards and Web services requirements and descriptions for the exchange of aggregate evaluation data and other key metrics for health professions education.

If you have questions about the MedBiquitous Metrics Standard, please email medbiq@aamc.org.

Note: Working group members can access the [discussion forum archive](#) for the working group or send an email to the list at metrics@medbiq.org.
